

SSF (90 to 180 days)

Únicamente se podrá tramitar la autorización de estancia de larga duración, y por tanto expedir el correspondiente visado, a familiares de personas que cursen en España estudios superiores (artículo 52.1.a) o formación sanitaria especializada (artículo 58).

La solicitud de visado del estudiante y la de su familiar no pueden tramitarse simultáneamente, puesto que de acuerdo al artículo 56.3.1º es requisito del visado del familiar a valorar por la oficina de extranjería que el estudiante (reagrupante) sea titular de una autorización de estancia de larga duración por estudios en vigor. Long-term residence permits, and therefore the corresponding visas, may only be issued to family members of individuals pursuing higher education (Article 52.1.a) or specialized healthcare training (Article 58) in Spain.

The student's visa application and that of their family member cannot be processed simultaneously, since, according to Article 56.3.1, a visa application for the family member, to be assessed by the Immigration Office, requires that the student (the sponsor) hold a valid long-term residence permit for study purposes.
